

## Social Skills Group

**Groups to start based on interest and availability**

Social skills don't come naturally for many children with ASD or other disabilities. This five-week group provides the opportunity for children to interact with peers in a fun yet structured environment.

In this group, your child will learn & practice many critical social skills such as:

- Sharing
- Waiting
- Taking turns
- Making friends
- Accepting no & using calming strategies
- Listening & following directions
- Following rules
- Stating needs
- Transitioning
- Being flexible

This group is for new & existing clients. Pre-registration required.

Screening of new clients required. Meets 1X/week for 5 weeks.

Cost: \$375 for 5-week session.
