

Multi-Sensory Pre-Handwriting Group

Groups to start based on interest & Availability

Learning to write is no easy feat! In fact, it's quite complex!
Many children with and without developmental disabilities
struggle with writing and pre-writing skills.

JUMP START your child's success in this **FUN 5-week**
multi-sensory pre-handwriting group!

- **FIVE Week Group** designed for pre-school to pre-K children who are not yet able to write independently and could benefit from developing efficient fine motor skills.
- Multi-sensory approach using various medias, movement, songs, and games.
- Interactive lessons and concepts from the **Handwriting Without Tears** curriculum.
- Incorporates sensorimotor play for building upper body strength and promoting sensory regulation.

This group is for new & existing clients. Pre-registration required.

Screening of new clients required. Meets 1X/week for 5 weeks.

Cost: \$375 for 5-week session. **Groups to start based on interest & availability.**
